The Office of the Inspector General manages the WMATA Hotline. Calls are taken by highly skilled and trained investigators with professional expertise in the areas of audits, contracts, security, investigations, and inspections.

WHO SHOULD CALL?

WMATA employees, contractors, and customers.

WHEN SHOULD YOU CALL?

You should contact the WMATA OIG as soon as you become aware of actual activities pertaining to FWA. The Hotline telephone and the Hotline website are available 24 hours a day, 7 days a week.

Telephone - 1-888-234-2374
Website - www.wmataoig.gov/hotline

WHAT YOU SHOULD EXPECT

A thorough interview by an OIG investigator. You will be asked to provide information that will help the investigator piece together the facts of the situation (who, what, when, where, and why) and assess the estimated dollar loss to the government if monetary issues are involved.

An evaluation of your complaint will be made to determine if an investigation is warranted or if matter needs to be referred to other authorities. Depending on the complaint, complaints may be referred to the appropriate department within WMATA.

Your call will be handled with confidentiality and you may remain anonymous, if you desire.

Anyone making a report to the Hotline is protected from reprisal.
